
Statement regarding replacing the bib of the old type of PBT sabre masks

Based on the latest FIE decision only PBT FIE sabre masks with the new type of bib can be used at FIE competitions.

We kindly ask those who own a PBT FIE sabre mask with the old type of bib (see related picture below) to return it to our ~~UK~~ representative or directly to PBT Hungary for bib replacement. In addition we offer the same service for the 350N masks with 350N bibs:

~~PBT-UK~~
~~272 High St~~
~~Aldershot~~
~~Hampshire~~

Hungary
Tel.:00361-2306066

We assure you we will do our best to make the refurbishment as soon as possible and return the mask to you.

NOTE: please only return a mask which has the bib and mesh in good condition, ie. "competition ready" condition. The FIE decision is only valid for the FIE masks.

Thank you for your understanding!
